

# BANNER HANGING TIPS

## Materials

- ☑ (2) Posts
- ☑ (4) Bungee cords - preferably rubber
- ☑ (1) Banner from Performance Signs

## Technique

- ☑ Plant posts at least 1 ft wider than the banner's overall width. (Example: 6' wide banner - posts need to be 7' apart)
- ☑ Attach banner to the posts with bungees using the top 2 corner grommets.
- ☑ Attach bottom 2 corner corner grommets with bungees.
- ☑ Enjoy the results of your professionally installed banner!

*Thank you for your business. Enjoy your new banner!*
